Star/Middleton

I'm originally from Twin Falls and have lived in the Treasure Valley since 2017. Recently, I have moved out to the Star / Middleton area and have enjoyed searching for my new go-tos. I love trying local restaurants and coffee shops and visiting new shops. Here are a few of my favorites in the area!

COFFEE

Bordertown Coffee & Bake Shop – 11530 W State St. Star, ID 83669

I don't think you can go wrong with any coffee here, but my favorite is the iced Mad Fire Breve!

Middleton Espresso Café – 533 S Middleton Rd. Middleton, ID 83644

Lattes in every flavor that you can imagine! This café is great for trying something new or sticking to a classic.

SHOPPING

The Rambler Middleton – 1074 W Main St. Middleton, ID 83644

The Rambler is such a cute clothing boutique with great prices – it's hard to go and not find a gem!

DINING

El Mariachi Loco – 9966 W State St. Star, ID 83669

A fun environment and consistently good food – a must try if you haven't already!

Proof Craft Kitchen & Cocktails – 9759 W State St. Star, ID 83669

Proof is one of my favorites for date night or a girls night. You can't go wrong with the classic margherita flatbread!

Sea Salt Creamery + Bakeshop – 9712 W State St. Star, ID 83669

Sea Salt has the best ice cream and desserts in the area! They offer a variety of flavors and even have dairy free and gluten free options.
